**Etiwanda High School Instrumental Music Booster Club**

Dear \_\_\_\_\_,

The Etiwanda High School Marching Eagle Regiment has been invited to participate in the 25th Annual London New Year's Parade in 2011. This is a prestigious and educational event that can only be attended by invitation and we are honored that the EHS Marching Eagle Regiment has been offered this awesome opportunity.

The Etiwanda High School Marching Eagle Regiment is a 150 member performing troupe comprised of young high school musicians and performers between the ages of 14 and 18 from Etiwanda High School. We all share a passion for performing and artistic excellence. We believe there is no such thing as good luck-only *GOOD SKILL!*

Being a part of the Etiwanda High School Marching Eagle Regiment's trip to London will cost approximately \$2765 for each student. This fee covers airfare, hotel, food, tours and entertainment. I am asking for your help to defray this cost. Etiwanda's Member Sponsorship program is a way for others to help me pay for my participation in this prestigious opportunity.

Any amount you can give will help. Simply complete the attached donor donation form and return to the address listed. The Treasurer will credit my account accordingly.

My goal is to have at least 10 supporters provide a monthly donation of \$20 from December 2008 through November 2010. For your convenience, we can process a monthly credit card payment that will automatically credit my London account.

The Etiwanda High School Marching Eagle Regiment is an amazing life-changing experience, and I appreciate your consideration of my request.

Respectfully,

\_\_\_\_\_
